FOR IMMEDIATE RELEASE

REVISION **WORK CONTINUES ON I-15 AT SR-60**

Riverside County – The California Department of Transportation (Caltrans) will continue work on Interstate 15 just north of State Route 60 to replace a joint seal on a bridge as routine maintenance.

Work on the southbound I-15 was completed Friday night, April 22, 2005. Northbound lane closures on I-15 began Monday night, April 25, 2005. The work will close two lanes alternately **Sunday through Thursday from 8:00 p.m. to 4:00 a.m.** Friday night lane closures have been canceled and moved to Sunday nights. During the northbound work, the connector ramps from the westbound SR-60 to the northbound I-15 and the eastbound SR-60 to the northbound I-15 will close as the lane closures alternate. The project is expected to be complete by mid-June 2005.

Motorists are advised to plan an alternate route if possible. Please drive with caution in the construction area and slow for the closures. Watch for lane shifts and ***please reduce your speed. Your life or the life of someone else depends on it!***

SLOW FOR THE CONE ZONE!
